“ *She was always my special Aunt and one of my favorites, I remember her & Uncle Art coming to WV to see me on their way to Florida and always look forward to her visit. I know she is in heaven celebrating her homecoming with my Daddy. She was always such a good christian Lady and inspired me. I shall never forget her and I look forward to seeing her again someday in heaven.*

“ *Nothing I could say could ever describe my Aunt Pauline fully. She meant the world to me and everyone around her. We were all lucky to have her in our lives and she has been an example to all of how we should live our lives and love others. Rest in peace in the arms of God! Tell my Mom, Hi!*

“ I'm at a loss for words. Pauline was the nicest, sweetest, best person I've known in my 75 years. How God could put so much good in one person is beyond understanding. The wonderful memories of her fill everyones hearts.

“ We'll miss Pauline, especially at the McFarren Family reunions. I would have liked to see her live past 100 years, and thought she was a good candidate since she always looked so well.

“ Pauline was my one favorite ladies. She was one of my mom's TOPPS friends and I sang in the choir with her at Lakewood Union Chapel years ago. She was always such a happy, pleasant lady. She always gave me a hug if I saw her in the grocery store and would ask about my two children. I, of course didn't see her much in the last few years as she moved to WI, but I have thought of her often and know I will miss her. My sympathies go to the family.

“ Sorry to hear of the loss of your Mom. I remember her fondly from our days of growing up at Duck Creek way back! I know it's difficult for you as I just lost my Mom in 2012. I guess it lets us know that we're not getting any younger. Time heals so hang in there. My sympathy goes out to you - Jerry Thomas

“ Although it has been many years since I have seen Pauline, her kindness is still remembered. She took wonderful care of my grandmother, Margaret Brumm, where I lived with my mom, Dottie, in Whitehall, MI. She was a sweet and kind-hearted person and we were blessed to have known her. Our thoughts and prayers are with your family.
