*Mama loved so many flowers. How to do you pick just one to share. Pearl was a diamond of an example to her family. While she had spice, she was caring, loving and looked for the best in people. She truly lived her life from Wisconsin, California, Missouri. She loved to drive and travel. Her children, grandchildren, great grandchildren. Etc. carry on her spirit of living. Blessings to her son Doug's family, Sharon's family, friends of Sherrie, family of Bertie, family of Martha, and family of Alice. May all have peace and love with them.*
