“ Penny's grandmother and my mother were very close friends. I have not seen Penny in decades, but I do remember us playing together at her grandma's home in Beloit, Wis. when we were little girls! I am saddened by this sudden and tragic loss but I take comfort in knowing that she is with her Lord and her father, grandparents and her aunt Sue who all loved her! I feel bad that she and I didn't know each other better considering our families were close but I have a fun and happy memory of us playing together when we were children and I pray God's richest blessings and peace for her family and friends at this time.
