

Randy Joseph Abing

September 19, 1955 - March 29, 2022

Brodhead/Lancaster, WI – Randy Joseph Abing, age 66 of Brodhead passed away surrounded by his family on March 29, 2022. He was born on September 19, 1955 to Cyril and Florentine (Wallenhurst) Abing.

Randy graduated from Lancaster High School in 1973 and in 1975 graduated from Southwest vocational school in Ag Mechanics. In 1987 he pursued a new career and graduated as a line technician from Moraine Park Technical School in Beaver Dam. Randy married Jane Carl on October 4, 1975 in Platteville. Randy and Jane farmed in Lancaster from 1974-1980. He worked for Larry's Welding from 1979-1988 and then worked as a line technician and eventually a foreman for Alliant Energy until his retirement in 2010.

Randy was a volunteer wrestling coach in Brodhead for 26 years and enjoyed donating blood to the Red Cross over 20 times which resulted in over 25 gallons in total blood given. He enjoyed giving hayrides, four wheeler rides, mushroom hunting, taking care of his cats, watching the Andy Griffith show, watching the Packers, spending time at libraries and driving around town with his wife and visiting with people. Randy was also patriotic as people would recognize him driving around his car with his US and Packers Flags displayed. But most of all, Randy enjoyed spending time with his family, especially his grandchildren, watching and attending all of their school sports/activities.

Randy is survived by his ever so patient and loving wife, Jane Ann; two children, Shane (Terri) Abing and Brandi (Buddy) Malcook; grandchildren, Brooke (Quinn) Malcook, Cody Malcook, Alexis Abing and Hayden Abing; his siblings, Mary Kay Abing (Jim Breuer), Peggy Sturmer, Charles "Chuck" (Kim) Abing, Keith (Lisa) Abing, Kevin (Deb) Abing, Ellen (Randy "Zippy") Koeller, Marty (Jenn) Abing, and Kurt Abing; sister-in-laws, Terri Abing, Lois (Alan) Morrison, Rita (Kelvin) Luna and Alleine Carl; a god daughter, Kaley (Knapper) Johnson, special friends Mitchel and Megan Wiesenberg and several aunts, uncles, cousins, nieces, nephews and other relatives and friends.

Randy was preceded in death by his parents, Cyril and Florentine Abing; a brother, Ronnie Abing, 2 brothers in law, Dave Sturmer and Danny Carl; his mother and father in law, Lawrence and Frances Carl and his step father, Danny Joyce.

In lieu of flowers arrangements, memorials may be directed to the Brodhead Public Library, Orfordville Public Library or the Lancaster Wrestling Team.

“ Randy has been one of the best neighbors and friend a person could have. Whenever I needed a hand , he was there. Weather it be setting up neighborhood parties at the tower or cutting trees for trails he was there to do what he could. His work ethic was unparalleled and his humorous quips will be sorely missed. I really appreciated his support at the town board meetings as he always stood up for what he thought was right. Thanks to Randy and Jane for there friendship through the last 26 years. God bless my friend....

“ Great guy! Randy always had a kind word, a smile, and/or a joke to brighten one's day! Also, he did so much for Brodhead and Brodhead schools and athletics! Randy was a giver not a taker! He will be missed by so many!

“ Jane, I can't believe he is gone. Randy was one in a million. He had as big a heart as anyone I've known and was such a giving man. From the surprise treats you would find in your vehicle to the kindness he showed to complete strangers. I remember a little boy sitting on the curb for days watching Randy and his crew rebuild a line. Randy gave him his hardhat and gloves and made him an honorary member of the crew. And the elderly couple that were going to be without power and had an oxygen machine. Randy took the generator from his truck and hooked them up so they could keep their machine running. He was so good about bringing everyone together for our retiree breakfast and dinners. He will bring us all together one more time. We will miss him.

“ There is not enough space to relive the great times we shared, the harmless but sometimes complicated practical jokes, the day I proudly displayed those morels I found while setting a pole only to discover the nails protruding from the bottom of those rubber gems, sharing a seat in a Madison theater seeing Vince Lombardi come alive, the scare of my life as a fuse blew sending shrapnel in to the "Bosses" arm, a wrestling match (that was dumb) in a chisel plowed field, boxing match w Randy dressed in a giant Mallard costume, it goes on and on. We often lamented on the validity of lowering the flag to half mast, I lowered my flag for you my friend, God bless your soul Ran-Man

Jane, This is just unbelievable, We just talked at Ron's Visitation back in Feb. Ron always was talking about Randy and how much he enjoyed his stories and jokes and his phone calls to set up the Alliant retired groups breakfasts and dinners. Randy was a very caring, giving and thoughtful person. Ron is up there now with someone else to spend his time with. I am so sorry for your loss. Sending hugs and prayers for you and your family.
