*I'm so sorry for your loss Lonnie and Greg. Mike and I enjoyed the fruits of our labors during the years we rented from your mom and dad. I learned a lot about gardening and canning and Mike enjoyed helping with the farm chores. I had just been thinking of your dad a few days ago then read the news of his passing in this email from Newcomer Funeral Home. If I had checked my emails sooner, I would have attended his visitation and graveside services. May Bob rest in peace next to Peggy and may He comfort you with your many happy memories.*
