“ To the family of Roberta Earle; Please accept my sympathy for the loss of your loved one. I am a concerned fellow human at Lake Summerset. I know the pain of losing a loved one in death and have found the Bible's message at Revelation 21:4 very comforting, there we are assured that even death will surrender to the power of God Almighty in the resurrection of the dead. This hope has comforted me and I pray the same for your family. Sincerely; Mary Booker

“ Miss Roberta was the highlight of my shift. She always greeted me with a smile, and always had a funny joke to tell. I could tell stories upon stories. One thing I will never forget is her love for her family. We spent almost 3 years together, and I will cherish each and every moment! Rest in Peace Roberta. -Jessica
