“ *My Sincere Condolences to Phyllis & all of their Family on the loss of their loved one. Since we were once neighbors Roger & I were in the same Grade at Banner Elementary School and also Argyle High School He was always kind and respectful of others , just as his older siblings were. Being out of State I appreciated any updates or Photos of some past Class Reunions in later years. The early 1940's at Banner School had Students involved in the War efforts of packing Red Cross Boxes and collecting Milk-weed Pods to use the Silk in Parachutes while Families endured Sugar & Gas Rationing & waited for any new Farm equipment. It was an early History Lesson most remember, along with the Progress and many changes since then. Praying your happy Memories and Gods Blessings will sustain you. Roger will be missed.
