“ Roger was someone who meant a lot to a lot of people.

Me and him never got the chance to meet, unfortunately, but spending time with his family, friends, and close ones gave me the chance to realize that he was a pretty incredible person. He was a good person.

I respect Roger's decision to serve his country and defend it from danger and thank him for it below the clouds.

One can only hope that his work had a positive impact on those around him, but lord only knows.

Whoosh.

“ Judy: Please accept my sincere sympathy. Roger was such a friendly and fun loving person. I remember well our high school days and the love we both had for the Dodgers! Cherish the memories as they will get you through the days ahead. Life does continue and with God's help you will manage to smile again. Please know I'm thinking and praying for you and your family.
