“ Janet and family we are so sorry to hear of your loss. All the wonderful things everyone said about Ron are so true. The only thing I can add is Ron's fish were good eating as good as the "fisherman". We will miss Ron but his memories will live on. God Bless you Janet and family.

“ Aunt Jan, Matt, Michelle, Danielle, Jessie, Amanda and Chad - you have my condolences for the loss of a husband, father, father-in-law, and grandpa. Uncle Ron was one of the best - humble, kind, generous, caring. And the man could fillet a bluegill faster than anyone I've ever met! Vaya con dios Uncle!

“ *i always admired Ron and Janet for the obviously loving marriage they modeled and the care they gave their entire family. Always a kind word, always a willingness to help others. Always a handy set of tools to fix what needed repair. And the love and service they gave to their Savior and their church was inspiring. It's been over a year since I last saw Ron, but he was just exactly as he always was--asking after my family by name. Ron will be missed dearly by his many friends and his loving family. May he rest in peace in his heavenly home.* ”

I echo what Marcia Petersen wrote. Ron was such a nice man and example of Christ to others. May his family be comforted knowing he is in the arms of Jesus now.

“ Janet, we are so sorry to hear of your loss. I have so many memories of growing up and seeing Ron out in the garden or mowing the lawn. All the fishing trips he would go and the fish he would bring over to mom and dad. I'm so glad we were able to see both of you in October. Just know that you will be in our thoughts and prayers. “ Ron and Janet were like second parents to me! After I lost my parents they took me under their wing. Ron gave the best “Dad” hugs and he always made sure he gave me one when ever I saw him! Loved it when he used to drop by and give us fish because everyone knows he was the best fisherman! We love you and we will see you in heaven!

“ I called him old pal because he was nine years older than me. Have known him for over forty years. We worked together at GM, were fishing buddies and had breakfast together every two weeks for twenty four years. He was the most caring and giving person I've ever known. Rest in peace OLD PAL.

What a role model Ron was to those around him. He lived an exemplary life - modeling Christian values: caring, giving, friendly, helping always to add to Jesus fishes to feed the multitude.
