“ We were saddened to hear of your Mothers passing. We so enjoyed visiting with her through the years, when we would see her out and about on Friday and Saturday nights. We shared great memories from growing up with Jimmy and you. Knowing that she is at peace and joining Roy and Jim in Heaven can help ease your sorrow. Please accept our sincere sympathy.

“ Keith, I was sorry to read that your Mother had passed. While she had a long life, it is still difficult to say good-bye. May you remember the jokes and laughs, the good times, and remember her love and concern for you as a Mom and best friend, when you have those sudden moments of sadness and tears in the future days. May peace be with you and your family.

“ Linda, Brett, Keith & the family of Rosie Church; My deepest Sympathy to you all. I have such fond memories of Rosie, Roy and Jim & growing up around your family. When we were kids she & Roy took Karen and I to the Shriners circus every summer, I've never forgotten the time they spent with us. As I got older I would see her at Roundy's and loved to chat with her. I have always loved to be around her as her laugh was contagious and she enjoyed having fun! She has a special place in my heart and always will. I will truly miss her. I hope you find comfort knowing she is now with her boys and at peace.
