“ We were so sorry to hear of the loss of Uncle Roy, the last of a generation. I loved the time we spent together as we went for a ride together with his sweet special friend after her grooming session. He would park out front, then give me a call so I could come out to talk with him. What special days those were.

Sorry, we are away so unable to attend but know you are all in our thoughts.

Hugs and prayers to you all.
