“ Vicki...so sorry to hear of your mom's passing. I just found out today or I would have come. She was my godmother and I loved her. So many memories. God has a special place for her in the choir with my mom. Love to you.

“ Vicki, Sue and I remember with great fondness your Mom at St. Peter's. She had the most beautiful soprano voice that we still remember from Christmas Eve services. She was always kind to us as she was to others. You can cherish the fond memories as you remember her in the days to come.
