“ Dear Jack & Family; Being your closest neighbors for 10 years, your family couldn't have been any nicer. We'll always recall Sharon's wonderful glass coffee pot & all the most pleasant visits there. We never had to ask for help or assistance, your two saw the need and were there !! Our kids played and got on with out problems. Sharon & Jack will always remain some of the nicest, friendly people we've ever known. We are far more then certain, Sharon will love and enjoy her place in "Heaven", she definitely has earned it. With all our Prayers, Jackie, Tom Herrington and children
