“ *What moves through us is a silence, a quiet sadness, a longing for  
one more day, one more word, one more touch, we may not  
understand why Shelly left this earth so soon, or why she left before  
you were ready to say good-bye, but little by little, Duane, Kay and  
the Family you will begin to remember not just that she died, but  
that she lived. Cry, tears are there to protect the heart! Peace,  
prayers & blessings. Love Kris Armitage*
