“ Dear Judy & Family,
My sincere condolences in this difficult time.
The DOUGLAS family has been a big part of my being in
Brodhead.
I still have the trialer built by Stan's Dad. It's been all over the U.S.
and Canada by many people.

“ To the Family.

I am sorry for the lost of your family member and dear friend. I have an encouraging message that I would like to share with you from God's Word the Bible.

Like many people we all want to live and enjoy life with the ones we have lost to this aged-old-enemy death. Sadly, though because of health issues, injustice, crimes and old age we have to suffer the pain when ones fall asleep in death.

In the Bible at John 5:28,29 Christ Jesus states that all those in the memorial tombs (graves) will hear his voice and come out. These ones according to Psalm 37:11 will be resurrected right here on the earth.

The Bible also gives us comfort and hope at Revelation 21:3-5 which assures us that the day is soon to come in which our Heavenly Father is going to wipe away the tears of sorrow from our eyes forever and death will be no more.

I hope that after reading this that it will be of comfort to each of you.

“ *When I was just a kid working for Pa at Newman Seed and Feed Stan would often come in to get feed ground and he would tell me stories about racing motorcycles, riding while standing on the seat, setting rockets off over the Brodhead square, and just general hell raising. I thought that he was about the toughest guy on earth. Stan was the type of man you couldn't help but like.*

I'm truly sorry for your loss.
