“ Your mother blessed so many people with her faith and kindness. Praying that you'll find comfort in your memories of her. I know that for me, driving into town won't be the same seeing her outside working in her yard.

“ So very sorry to hear of your loss. Our daughter Alyssa will never forgot her trip to the Prien farm (probably 15 years ago) to see the baby calves. We took along Alyssa's cousins, Amanda and Blair (Stacy & Dawn's children). Susie and the whole Prien family were very gracious hosts.

Susie touched many lives. God Bless you all!

“ Carmen & family:
So sorry to hear about your mom. What a lovely lady she was....one of a kind! She always had a smile for us, always showing our kids around the farm for our annual farm visits years back. We all have such great memories of her and your Dad. Now they can be together. Take Care.

“ Our sincere sympathy goes out to you and your families in the passing of Susie. She was a wonderful, spitfire of a lady that we had the pleasure of meeting the times she made the trip to Abbotsford. It was a pleasure to talk farming with her and enjoy the excellent treats she brought us. She will be deeply missed but is forever in our hearts.
