“ *Bill*, I am so sorry to here of *Sue's* passing. She was one of my best friends. We taught together for years and rode to work together from *Racine* many of those years. We always remembered each other's birthday because she was just two days older than me. She was one of the best teachers I ever met. Such a kind and understanding lady. It was a privilege to know her.

“ Occasionally God puts someone in your life that truly makes a difference...someone that makes you want to be a better person and who challenges you to do it. Sue was such an inspiration to our whole family. I will always strive to be the kind of kind, gentle honest person Sue was...one of true integrity and class who always trusted Jesus to give her direction in all she did. She will be missed very much and I'm so sorry for your loss Bill. Much love.
