“ My dearest Auntie Sue. You were such an amazing person. Simple and to the point always and lived in conditionally. I learned a lot on my summers at the farm. Some of the best memories and experiences ever!! Doing chores and all cramming together in the kitchen for breakfast and supper!!! Never would change my childhood on the farm. My family will miss you dearly! There is a love and respect that we all have for you that will live on forever!! You came to there games and birthdays!! You always had time for everyone!! I can't even start to explain the emptiness we feel. But do know we are comforted by knowing you are not hurting and you will be watching us from above!! Love you so much!! Until we meet again!!!  
Hey who is making the deviled eggs and scalloped potatoes and ham? lol
