“ TIMBO was my 'little brother'....I'm still in disbelief over what
happened and at a loss for words. We had many good times
together. Our common bond was music, going back almost 50
years. I cherish the recordings I have. I will miss him terribly. I know
he is pain free now and in the company of family and good friends.
Until that time, TIMBO...until that time. God speed little brother. 🥰 I
love you... 🥺🥹🥰.....

“ I have many memories of Tim from when we were young kids through adulthood. He is my cousin but we grow up living next to each other. He was more like a brother then cousin. We fought like siblings do. We managed to get in trouble together(which was fun!) and have lots of fun memories and laughs over the years. I will miss you cuz! Love and hugs to all the family and friends left with sadness in our hearts!
