Obituary

Evansville – Tina Ast, age 45, passed away unexpectedly on December 18, 2019. Tina was an extremely beautiful woman who met all of life's challenges with strength of will and determination. She loved arts and crafts and was incredibly creative. She always seemed to know exactly how things fit together into a piece of art. This was extremely evident in her recent discovery and joy of gardening. That she loved and brought the entire family together goes without saying, but most especially she cared for and loved her two sons, Kevin (20) and Carl (23). She was very proud of both her children. She was always there to help her family and friends whenever they needed her. She was amazing at planning family gatherings and coming up with ways to make it fun for everyone, like a white elephant exchange every year. Her absence has already affected everyone she knew and she will be missed more than words can say.

Tina is survived by her two boys, Kevin and Carl; her mother, Maxine Murray Ast; 3 siblings, Thomas (Trudy) Ast, Timothy (Corina) Ast and Teresa Ast; her significant other, John Triggs and several nieces, nephews and other relatives.

Tina was preceded in death by her father, Duane Carl Ast and both her maternal and paternal grandparents.

A party to celebrate Tina's life will be held at the Bridges Bar and Grill, 1034 1st Center Avenue in Brodhead WI on Monday, December 30, 2019 from 3:00 PM to 6:00 PM.

The DL Newcomer Funeral Home in Brodhead is assisting the family with their cremation needs.

“ We were best friends since 6th grade and let a stupid argument end our friendship almost 10 years ago. When I decided to reach out and see if we could mend things I found out it was too late. I miss you more than you will ever know and regret every bad thing we said that day. I will always love you and hope one day we will meet again.

Always,

Teri
