“ Tyler, you were a very strong little boy and you fought a very long, hard fight but you never let it get you down and for that you are a hero. I think the thing I will miss the most is the way you always had a smile no matter how bad it got. You will always hold a special place in many peoples hearts and I will never forget when I first started babysitting you and at 10 or 11 months old how helpful you were. To your parents and their significant others I am so sorry for your loss and I know that there are not words to take the pain away but hopefully you can lean on the good memories for strength. You will be missed by many and all were blessed to have you in their lives. I am honored to have known you and will never forget you.

“ I am so sorry to hear about Tyler. I worked at AFCH for almost a year and I would room Tyler when he came to the clinic. I will never forget the day he brought Doritos into the clinic and no matter what I would do he just wasn't going to share them with me! He will be greatly missed. Rest in peace, Tyler.
