“ Their passing away was thought an affliction and their going forth from us utter destruction, but they are in peace. They shall shine and shall dart about as sparks through stubble. (BIBLE, the Book of Wisdom)

Thirty-five years ago, Vera and David welcomed me to their farm and their family as the bride of their cousin Doug Kamholz. I continued to feel that welcoming spirit each time I visited.

David and Vera cared so much for each other, their extended family, and their community. I miss them.
