“ So sad to read of your Mom/wife passing. She was a treasure. May your memories "hold you" as you go through the coming days.

“ I am so sorry that I did not get up to see Ginny when I was going to last week. But, I wanted to let her rest and get a little stronger. I guess she didn't get stronger. I just loved that lady as much as my own Grandma. I always called her my china doll because she was so beautiful. I had no idea she was in her 80's. My thoughts and prayers are with all of the family and I wish you all the best. I am sure this will be difficult for all of you. But, we have to remember that she is not suffering any longer.

Take care,

Charmin Stevens and Pam Blake (Pam will be very lost with out her. They were very close). Pam is my Mom and I know they spent a lot of time together when they could as well as talked on the telephone all the time.

If you need help with anything please don't hesitate to ask.
