“ So sorry for your loss. Virginia was well known and I am glad I had the chance to meet her and work with her and Walter side by side in the Green County Rabbit Projects. She will sadly be missed as she was this year at the fair. I hope you have finally found peace and may God be with you for eternity. Miss your smiling face.

“ Dear Friedly and Gough families: So sorry to hear of the passing of Virginia. I had the pleasure of working with her and your family for many years in the Green County 4-H program and she was truly an icon to many youth and families over the years! I always enjoyed Virginia's excitement during fairweek in working with the rabbit youth getting ready for the show and opening their home for 4-H club meetings for many years. She was a great mentor and role model and will truly be missed! God Bless!

“ Sorry to hear about your mother, I know she was sick since we talked last. Thanks again for the corn. It was enough, wanted to come to the visitation but had other engagements on both days. Thinking of you and prayers.
