“ I know words are never enough to ease the pain of losing a loved one. You are all in my thoughts and prayers at this sad time. My belief is that when a loved one passes on, we lose them physically, but they are forever in our hearts. Though we do not see them, we can still talk to them and ask for guidance; Walt will always be watching over you in good times and bad. Celebrate his life and the memories you hold dear, knowing you have him forever.
Hugs, Denise
