“ Our sympathies to the whole family. We only got to know Wayne in the past few years when he bought his trailer at the lake. It was great to listen to his stories about which project would be next to complete. The thing I will remember most about him was the fact that he would give his shirt off his back for someone in need. I never saw anything but a kind heart. I guess we'll have to use that darn grill that he won, donated to another raffle and won again, without him. We'll just have to rely on our memories and the knowledge that our lives are better because we had a few years getting to know him.

Working on the line is boring but Wayne sure helped make some of those times very enjoyable and I thank him for that. Wayne, thanks for the memories and rest in peace my friend. To Waynes family so sorry for your loss. God Bless All of you.*

“ *Its unbelievable. My heartfelt sympathy to the family of Wayne. Its been five years since I've seen him but we talked on the phone once or twice a month. Being 2000 miles away I wish I could be there but all I can do is send my blessings. May he rest peacefully until the Heavenly Father recalls him in the name of his son Jesus Christ. Amen. He will be missed.*
