“ Grandpa Wayne where do I start. I know I haven't seen you in a few years. I sure do miss your cooking and baking. Man youade the best oatmeal butterscotch cookies and chocolate pie. I miss all the lights you use to do for Christmas and your flowers you always had beautiful flower beds. I remember going to hivee with you and grana Judy and mom and you went down the wrong way in Madison. You scared the crap outta grandma and mom. And me and you where laughing so hard. I loved going camping with everyone and the lake trips on the boat. We always had a blast. I sure do miss it. We had a lot of great times together swimming in your pool. The cookouts you had for the hole family. I just wish we all were a family again. Please give my momma a huge hug for me tell her I love her. I know your happy now because your with grandma you wanted to be with her so bad. You and grandma were soulmates that is for sure. You are in a better place now no more sickness or sad nights no more health issues no more pain. Dustin and Madison and I do love you and always have. Sending prayers for the family. sorry for there loss.
