“ Me and my girls wish we could've been there, we miss you already, Mom is there, but I'm sure you know that. Tell Aunt Sue, Grandma (Elsie) and Grandpa (Harry) that we love and miss you all!

*Life got in the way and time ran out. Though we didn't say goodbye I believe you knew what was in my heart. You are loved and you will be missed.*

*Aunt Sue has been waiting patiently for you, and now that this earth has let you go you will have all you ever wanted, her to hold.*

*We will all miss you for our own reasons, but as life goes on we will be reminded through all of the seasons, the things you did unselfishly, even when we weren't looking, ah the memories, like when Grandma was cooking, she would burn herself and curse in German. We would laugh, sometimes at her expense, but it was out of love and for many reasons that didn't make sense.*

*You were so strong, even when you were weak, who are we to not let you have your peace, with your love up above, so far from our reach.*

*We understand, but still feel the pain, but find solace in the fact that your memory remains, in our minds and in our hearts, even though we're so far apart.*

*We love you Unk we always will, even though it's Gods will, to go on without you in our lives, we always know you'll be by our side.*
